The background features a series of concentric circles in light gray, some solid and some dashed, creating a ripple effect. In the center, there is a large green speech bubble with a small tail pointing downwards.

Plan Phase

The background features a series of thin, curved lines in shades of gray, some solid and some dashed, creating a sense of motion and depth. These lines are primarily concentrated on the left side of the image, with a few extending towards the right.

Mind Map

The background features a series of thin, curved lines in shades of gray, creating a sense of motion and depth. These lines are more prominent on the left side and fade towards the right.

Persona

User Story

The background features a series of thin, curved lines in shades of gray, some solid and some dashed, creating a sense of motion and depth. These lines are primarily concentrated on the left side of the image, with a few extending towards the right.

Journey Map

A green speech bubble graphic with a small tail pointing downwards and to the left. The word "Storyboarding" is written in white inside the bubble.

Storyboarding

User Flow

The image features a large green speech bubble with the text "User Flow" in white. The speech bubble is positioned on the left side of the frame. The background is white with faint, curved, dashed lines in the top-left and bottom-right corners, suggesting a circular or orbital path.

The background of the slide features a series of thin, light gray curved lines that sweep across the left and bottom portions of the frame. These lines vary in length and curvature, creating a sense of motion and depth. The lines are more densely packed on the left side and become sparser towards the right.

Core Model

Use Case

The background of the slide features a series of thin, light gray curved lines that sweep across the left and bottom portions of the frame. These lines vary in length and curvature, creating a sense of motion and depth. The lines are more densely packed on the left side and become more sparse towards the right.
